

Prop 65 Short-Form Warning Label Requirements:

- (1) A symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."
- (2) The word "**WARNING:**" in all capital letters, in bold print.
- (3) For exposures to both listed carcinogens and reproductive toxicants, the words, "Cancer and Reproductive Harm—www.P65Warnings.ca.gov."
- (4) The entire warning must be in a type size no smaller than the largest type size used for other *consumer information* on the product. In any case, it cannot be any smaller than 6-point type. (*Consumer information* is defined in Section 25600.1(c) and includes warnings, directions for use, and ingredients list, but does not include the brand name, product name, company name, location of manufacture, or product advertising.)
- (5) Where a label used to provide a warning includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.
- (6) The warning label should be placed on the product's immediate container (not required on external packaging, as well) in a manner to ensure that consumers receive the warning prior to exposure.
- (7) For internet purchases, a warning that complies with above must be provided by including the warning or a clearly marked hyperlink using the word "WARNING" on the product display page. This must be displayed to the purchaser prior to completing the purchase.
